

2250 BILL COUNTER

EASILY COUNT YOUR BILLS

Cash-up quickly. The Safescan 2250 accurately counts the quantity of sorted bills for all currencies while simultaneously verifying them on up to three security features. Perfect for when you are in a time crunch. Thanks to its intuitive design, optimized display, and automated features, your cash counting will be easier than ever before.

- Bill counter that counts the quantity of sorted bills for all currencies
- Counts up to 1.000 bills per minute
- Verifies bills on up to three security features: ultraviolet ink, magnetic ink and size
- Stops counting and presents an audio and visual alarm when a suspected bill is detected
- Automatically starts counting the inserted stack of bills with the auto start function
- Adds up the number of counted bills across different runs with the add function
- Shows the total number of counted bills
- Creates equal stacks of bills with the batch function
- Easily operated thanks to the large 3.9 inch display and clear buttons
- In other documentation this model may also be referred to as the Safescan 2250 G2
