Safescan

SAFESCAN **6155**
MONEY COUNTING SCALE

The Safescan 6155 is a money counting device that combines speed with versatility and comes with a user-friendly printing option. The 6155 is compatible with the Safescan TP-230 receipt printer, allowing you to immediately print your counting results. The technique of weighing allows the user to not only count coins and banknotes but also vouchers, coupons and tickets. The Safescan 6155 is fast and effective in saving you time when cashing up at the end of the working day.

- Counts coins, banknotes, vouchers, coupon and tickets
- Compatible with the TP-230 printer for instant printing of results
- Compatible with GBP, Euro and CHF

- With USB port for PC connection
