

SD-4617S FLIP-TOP CASH DRAWER

STRONG AND DURABLE TO WITHSTAND FREQUENT USE

Like all the products in our SD series, the SD-4617S cash drawer is made of strong materials. Its robust steel casing and shatterproof PVC tray are designed to meet the needs of medium-traffic retail venues, school and office cafeterias and clubhouse cantinas. The SD-4617S has a sturdy steel lid and robust slam-proof latch mechanism guaranteed to provide at least 1 million trouble-free open/close cycles. The SD-4617S narrow form factor makes it easy to use in any environment, whether the operator is seated or standing. The vigorously tested lid opens a full 80° for easy access without bending or twisting.
