## MONEY COUNTING SCALE

### MAKE YOUR CASH-COUNTING EASIER

Save time and make your administrative tasks easier. The Safescan 6165 is packed with the latest technology that allows you to count your entire cash register in two minutes. The Safescan 6165 is designed to facilitate easy cash-counting at the end of a long, tiring business day. Total up all your coins and notes in one fast, smooth process; automatically deduct the day's starting cash from the total; save and print your results for easy review. The 6165 guarantees an easy, accurate count in just minutes.

- Counts coins, bills, coin rolls and bill bundles
- Adaptive count algorithm: counts old and new version bills together
- 13 currencies pre-installed: USD, EUR, GBP, CHF, PLN, HUF, SEK, NOK, DKK, BGN, CZK, RON, AUD
- Count an entire cash register in less than 2 minutes
- Intuitive user interface
- Real time clock
- Compact size, ideal for retail or office environment
- Silent operation
- Auto Add feature: automatically add the counted coins/bills to the total after removing them from the platform
- Auto Next feature: automatically move to the next denomination after removing coins or bills from the platform
- Free currency updates

Ideal for use in combination with SD-4617S cash drawer and 4617CC coin cups

Print counting results on the Safescan TP-230 Thermal printer

Save the count results with Safescan Money Counting Software
